

Where Science and Nature Come Together.®

FOODSCIENCE® of Vermont

G.I. Benefits

- **A dietary supplement to support G.I. Tract Health and Function.***
- **G.I. Benefits** is the most advanced formula on the market today for optimal gastro intestinal health.* It has been designed to help heal the gut, soothe the digestive tract lining, promote regularity, microbial balance and support proper immune function.*
- **G.I. Benefits** provides 5 grams of L-Glutamine per serving and is flavored with natural ingredients.
- **G.I. Benefits** is available in a convenient, crystalline powder which mixes easily into any beverage or other functional food powder and is free of any ingredient that causes gas and or bloating.
- **G.I. Benefits** is the only formula of its kind to combine:
 - L-glutamine at 5000 mg per serving to fuel intestinal cells and maintain villi*
 - Arabinogalactans at 1000 mg per serving to support the immune system, aid regularity and support the production of beneficial bacteria*
 - Deglycyrrhizinated Licorice root at 500 mg per serving to help soothe the gut wall*
 - N-Acetyl glucosamine at therapeutic levels (250 mg per serving) to improve the integrity of the mucosal lining*
 - Aloe Vera Leaf Extract (200:1) at 250 mg to help heal the lining of the stomach and keep the folds and pockets of the colon free of toxic material that gather there*
 - Slippery Elm bark at 200 mg per serving to reduce bowel transit time; absorb toxins from the bowel; increase fecal bulk and enhance beneficial bacteria in the gut*

- Zinc Carnosine at a 100 mg per serving to help stabilize small bowel integrity, stimulate gut repair processes and help minimize free radical damage to gastric mucosal cells*
- Marshmallow Root (*Althaea officinalis*) at a 100 mg per serving to soothe the gut*
